

Training for my future: application for support from Hope for South Africa's Children

Please complete the form below and submit by email to HFSAC: info@hopesachildren.org.uk. Applications will be considered at any time and a decision made within 3 weeks from submission. Please note that as a condition of acceptance of any award the applicant must agree to supply a short (100-500 word) report on how they benefited from the award within 2 months of completion of the training. If applicable, this would be expected to include proof of attendance/participation and any certificates obtained.

Name:	
Date of birth:	
Address:	
Email address: The trustees will use this to contact you about your application.	
Telephone number: This may be used if the trustees would like to ask you any questions about your application.	
Training/ Educational opportunity: Briefly explain what you need funds to support. Please be as detailed as you can, for example, by including any key dates, people or places that are involved.	

What is the cost of the training or educational opportunity? Include any fees, equipment, transport and accommodation costs.		

Are you applying for the whole cost or is other funding also available?
 The trustees will consider applications for the entire cost, but any contribution you are able to make, or part-funding you have already obtained, will be viewed positively when they make a decision.

How will you and/or others benefit from this training or educational experience? Explain any short-term or long-term ways in which you think this training/experience will affect your future.
